My Favorite Thing About Downtown Highland

I was born in Highland
in 2013. I have been to
downtown Highland a lot.

I love the library
and picking out my own
books. I also love going to
The Counter for ice cream.

But now I take
piano lessons at HGS
Music. This is now my
favorite place in downtown
Highland. I think it is a
great place. If you want
to learn an instrument
I would recommend it.
