CLERKS & TREASURERS: 1911 - 1935

The Town of Highland was incorporated April 4, 1910. Andrew Reiner presented the petition requesting incorporation in February of that year to the Lake County Commissioners. Incorporation being granted, the first election was held for the first officials, with Highland then conducting regular elections in the usual cycle in 1911. At the time of Highland's incorporation, Indiana law provided for separately elected Town Clerks and Town Treasurers. This was the law until 1935.
