If you live anywhere in the Lake County area, you have probably been to Downtown Highland. If not, you are missing out on all of the amazing things that this area has to offer. On the outside, Downtown Highland may look like a "normal" area, but the more you explore, you can see that there is truly a sort of cozy, fun magic to it that is difficult to explain. In my opinion, the things that are the most fun about Downtown Highland are the events at Main Square, and the many small businesses.

First, the many events held at Main Square are fun for everyone involved. Whether you are acting in one of the plays held there, or enjoying yourself at the 4th of July Festival, you are guaranteed to have a great time. In addition to plays and festivals, Main Square also holds concerts, parades, rally's, and more! If any of these sound fun or interesting, head down to Main Square next time they hold an event to see for yourself!

Next, Downtown Highland's small businesses make up the heart of the area. There's a huge variety of businesses, ranging from music studios to clothing shops to art stores! If you're feeling hungry, you should head over to Maria's Buena Cocina to have some of the best tacos you will ever taste. After you finish, you could walk next door to The Counter to have some of their delicious ice cream afterwards. They even have gluten free and dairy free ice cream options! If you aren't hungry, you could check out some art supplies at Hoosier Highlander, or buy some jewelry at Highland Jewelers. No matter what business you go to in Downtown Highland, it's guaranteed to have great products and amazing service!

In conclusion, Downtown Highland is an incredibly lively and fun town, and the biggest contributors to this are the events held there, and the many small businesses. In the future, more people should visit Downtown Highland to see what it has to offer. If you are looking for somewhere to go for the day, Downtown Highland is a must visit!
