

The following is our study session agenda for October 7, 2025. If there are any additions, please send them to me.

- Sanitary District Engineer Status Report. DEREK
- Public Works/Sanitary District Status Report . Are all of the pumps at the North 5th Station now functioning properly? Has a final decision been made regarding the source of funding for the purchase of the vacuum truck and one other truck? MARK K.
- Sanitary District Attorney Status Report. Update on performing a full review and analysis of HSD deliverables so as to determine a fair treatment rate? Do we have any new information regarding the status of litigation between Munster and Hammond? ROBERT
