

The following is our study session agenda for November 4, 2025. If there are any additions, please send them to me.

- Sanitary District Engineer Status Report. Insituform has installed all sewer liners except for one. The last one is planned to be installed next week. DEREK
- Public Works/Sanitary District Status Report . MARK
- Sanitary District Attorney Status Report. Update on performing a full review and analysis of HSD deliverables so as to determine a fair treatment rate including any discussion with HSD regarding a credit? Do we have any new information regarding the status of litigation between Munster and Hammond? ROBERT

#### SANITARY COMMISSION DORMANT STUDY SESSION AGENDA

- Decision pending regarding source of funding for the purchase of the Vac Truck. MARK
